Email address:

Optional: online address (such as your website or portfolio at Behance, DeviantArt, etc.):

1. Why are you interested in setting up a creative workspace in Turret Studios at WestEdge Factory?
2. Briefly describe the scale, media, and concepts behind the work that you hope to undertake in Turret Studios.
3. What do you bring to a creative and communal space in terms of prior experience, skillsets, and character?
4. How do you hope that your experience in Turret Studios will impact your creative work?
5. Please attach an artist résumé. Include your last name and the current year in the file name.
6. Creative Impact project (optional). The monthly studio fee is \$300. For a reduced monthly studio fee, attach a one page proposal describing your Creative Impact activities and requested studio fee. If you have questions about potential Creative Impact activities, contact Gina Milum at any time.

Send this completed application with your résumé and Creative Impact proposal, if any, to Gina Milum, Operations and Outreach Coordinator, at gmilum@coalfield-development.org. Questions? Email or call 304-972-5209.
